

STREETLIGHT MISSION

Bringing *hope* in a time of need.

November, 2011

65% of impoverished families are led by women

Thanks to YOU!

StreetLight is reaching out to women in need with fun-filled, informative and uplifting events.

On Tuesday, September 27th the Mission was turned into a tropical paradise to host a Luau for forty women and their children. The women of Evangel Church in Scotch Plains, New Jersey served a delicious dinner and hosted many fun activities that our ladies immensely enjoyed.

While the ladies enjoyed their night out with the girls, the kids participated in their own luau in another room. There were tables set up for coloring, crafts and Bible story time. Much like the women, the children were all smiles. Thanks to the committed team of volunteers, the women were able to enjoy the luau without having to worry about the whereabouts of their children. Sheba, a mother of two, shared "It's so nice to sit down and relax, knowing the kids are right in there having their own party!"

The evening closed with a time of sharing by event coordinator, Maria Cortes. She spoke of being a new creation in Christ. Maria emphasized that freedom and a fresh start are possible through the love and sacrifice of Jesus.

The 40 women and 19 children who attended the luau had a great time.

Unfortunately we had to refuse many women who wanted to come because we had no more room.

With your help we can provide more women's activities and expand our facilities to help more families.

Would you please give a gift today so that we can increase the activities we offer to the ladies?

Would you provide a Christmas for someone who otherwise won't have one?

The joy of Christmas is one of the highlights of the year for our family. Celebrating the birth of our Lord brings memories of joining with family and friends over a delicious dinner and exchanging tokens of the love we share.

I remember one particular year when the anticipation of Christmas brought on feelings of fear and dread. Paul was out of work indefinitely because of his health and money was very tight. I was not sure how we were going to be able to afford our expenses, let alone Christmas. That year God provided a Christmas miracle for us and I will never forget the joy I felt as He answered our prayers in a very real and tangible way.

This year we have the opportunity to demonstrate the love of Christ by providing Christmas miracles for countless families in need.

Will you help?

Here's how...

- You can sponsor an individual or a family for the 2011 Christmas Party. You just make a donation of \$25 for each person you would like to sponsor... or sponsor a table with a gift of \$200.
