

STREETLIGHT MISSION

Bringing *hope* in a time of need.

September, 2011

The US Government just announced that 15.1% of the US population lives below the poverty line. That is 1 out of every 6 people!

Vacation Bible School ...

This summer StreetLight Mission hosted our first Vacation Bible School at the Mravlag Manor Housing Projects in Elizabeth, NJ. Eighty-four children enjoyed a fun-filled week consisting of music, recreational activities, crafts, Bible study, worship and lunch. Pastor Marsha Mansour led the children's activities along with 43 volunteers from Evangel Church, Eagles Wings Ministries and other area churches. The children saw the love of Jesus demonstrated through the love they received from the volunteers.

Most of the children have little to do during the summer. As such both parents and children were thrilled to see StreetLight arrive each morning. William, a 13 year boy who joined us every day, asked repeatedly, "Can you guys come back next week? This is great!" We have been reaching out to the residents of the Mravlag Manor since February with activities beginning at 7 pm every Friday night. If you are interested in getting involved and would like to join us one Friday night, please email us at: Tony@StreetLightMission.org.

Please keep these children and their families in prayer. A great work was begun in each of their lives. We are excited to see what the Lord does.

Winter is coming ...

Brennan Manning spoke of healing through caring and the impact that has on someone's life when they know they are loved. Last winter was very hard on those struggling on the streets and StreetLight Mission distributed over 700 coats plus hats, gloves, scarfs, blankets and boots to those in need. A this season again approaches, we are collecting men's, women's and childrens coats, clean and in good condition. Coats can be dropped off at the Mission on Monday, Tuesday and Thursday, from 9 AM to 3 PM and on Sundays from 3 PM to 8 PM. If you would like to arrange a coat drive at your church, place of business or other venue please contact Tony at StreetLight Mission at 908-820-8324.
