Bringing *hope* in a time of

**April, 2012**

**Elizabeth, NJ has the second highest number of  
paroles in New Jersey!**

**Record Expungement ...**

Many of those who have criminal records but have changed their lives are still held back and unable to get better jobs. Record expungement allows a person to petition a judge to have certain offense expunged from their records after a period 2 to 10 years depending upon the offense. This process is time consuming, requires a lot of paper work and strict guidelines. After a discussion with Mayor Boelwagge, StreetLight Mission is now offering that service free of charge.

**If You Had to Walk All Day ....**

On Sunday April 1st StreetLight hosted Hearts to Souls providing new shoes and socks to those in need. Led by Dr. Michael Goldberger, a team of orthopaedic doctors and nurses examined the feet of 98 StreetLight guests. Sturdy seasonal footwear replaced shoes that were too big, too small or in very bad condition. Since walking is the primary mode transportation for the majority of our guests, good foot care is essential.
